

# South Dakota Career Peeks

Take a peek at . . .

**Truck drivers** move many different kinds of things from one place to another. They may haul anything from milk or candy to animals or lumber. Some drive shorter distances and stay at home each night. Other truck drivers have deliveries that take them far from home.

Loop the container below that would hold more milk.

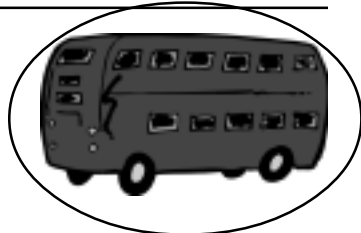

Loop the item below that would weigh more.

Loop which item below would weigh more.

Loop the item below that would hold more ice cream.

what you can become!
